## WORK EXPERIENCE

---

### Freelance

Visual Designer / Remote / 2022 – Present

Developed visual solutions for a broad array of deliverables, including presentations, publications, social graphics, stationery, logos, icons, frontend web UI, posters, exhibition materials, swag, etc.

### Curve Labs

Visual Designer / Remote / 2020 – 2022

Produced web & print graphics for marketing objectives (presentations, emails, ebooks, advertisements, web pages, etc). Lead visual design and creative direction of corporate brand, including entire frontend web design overhaul.

### DAOstack

Visual Designer / Remote / 2018 – 2020

Worked with marketing team to produce a variety of collateral for social media, advertising, & sales campaigns. Designed compelling, audience-centric visual content for internal & external stakeholders. Prototyped frontend UI wireframes for web.

### Adolescent, Inc.

Animator & Designer / New York, NY / 2017 – 2018

Branding, motion, and animation concepts for a wide variety of advertising and social media projects on both web & television. Focused primarily on 3D motion graphics, compositing, texturing, and modeling.

### Audacy Corporation

Visual Designer / San Francisco, CA / 2016 – 2017

Lead all design of marketing & sales assets including brochures, presentations, web graphics, sales booklets, and business stationary. Creative direction for frontend UI on mission operations software.
